Each child is expected to bring their summer work (or reading packet) a book to read daily.

There will be a charge of \$1 per minute per child that each child is picked up late (according to the Community Center clock). Fees must be paid in full and current, including late fees, by Friday of each week, in order for your child to continue in camp.

**Activities are not limited to this brochure.

***St. Anthony Community Center reserves the right to alter or change the schedule as necessary.

St. Anthony Summer Camp will continue its ongoing focus on the personal, social, cultural and career-related building blocks to enhance student success striving to the next level: acceptance to college preparatory high schools. In the “Explore Summer 2018” camp, great strides were made in exposing student campers to the skills and positive attitudes that it takes to be successful in school, at home, and in the community. This summer “Explore Summer 2019” expects to add new development blocks in these skill areas:

- * Life
- * Interpersonal
- * Leadership
- * Conflict resolution
- * Character
- * Communication
- * Management
- * Health & well being
